Comment. The appearance in the Frits		
is reported for the first time; so far, only AA guns were observed.	. The information	2
is therefore forwarded with reserve. As the		2
94th Gds Mtz Rifle Div is fairly definitely	carried in the Adolf	
Wither Kaserne, the unidentified AAA Regt of		
has been carried in the barracks installation. However, there are no definite reports on the		
a major AAA unit.	. The present and	2
previous information indicated that AAA may	be quartered in the	
Fritsch Kaserne, possibly, the corps AAA re		
probably went to Wustrow for firing with livia Wismar by road.	ve ammunition, proceeding
